

WELCOME TO

THE INTERNET STUD

NO BIG COMMITMENTS, BUT IT'S BIGGER THAN YOU THINK.

WHAT IS THE INTERNET STUD?

The Internet Stud is an Initiative to give a platform to all the new Content Writers. **The Internet Stud** is a platform where content writers can publish their content.

WHAT IS THE MISSION OF THE INTERNET STUD?

The Mission of **The Internet Stud** is to build a community for the new content writers, who do not have the **PRO** skills of Content Writing and SEO.

The team of **The Internet Stud** will optimize their content to rank on the Google's first page. Our team will do all the hard work from Content Optimization to On-Page SEO and Off-Page SEO.

WHY THE INTERNET STUD?

If you are a new content writer or If you want to join this bright field of content writing, then you must join **The Internet Stud** because if you will start from the scratch then you have to invest money, you should have SEO skills, you should have some technical knowledge.

On the other hand, if you join **The Internet Stud**, You don't have to invest money, you do not need high SEO Skills and also do not need any technical knowledge. All you have to do is just research for your topic and upload your content.

You have to just upload the content and we will do all the other work for you This will give you chance to improve your skills, after some experience you can start your own blog.

WILL WRITERS EARN MONEY?

It's just a beginning, So there is no monetization option for anyone. But after some time we will monetize our entire platform and the writers will be paid for their content every month.

The amount that will be paid to the writers will totally depend on the performance of their blog.

HOW TO JOIN THE INTERNET STUD?

You can join **The Internet Stud** by following these simple steps.

- Open this link: www.theinternetstud.com/login .
- Read rules.
